Looks like you have a lot of real estate. Is this okay?

**Division Director / Public Affairs Director Briefing
Hunters Point Naval Shipyard
June 16, 2020
Agenda**

Decision recommendation for the RAB dissolution [Yolanda]

- Navy wants to communicate its RAB dissolution decision to the public
 - Future call with Laura Duchnak
 - New talking points with an analysis of *Community Involvement Review* fact sheet (attachments)
 - Previous talking points with big-picture language on importance of community involvement for this site
- Letter to the Navy on CIP implementation and requesting a more robust evaluation of its community outreach and involvement program (attachment)

Quick update on future fieldwork mobilization for the radiological rework for Parcel G

- Soil reference background study complete [Wayne]
 - Future factsheet to the public on the conclusions
 - Future memo-to-file on remediation goals
- Next steps to fieldwork likely in mid- to late July [Wayne]
 - EPA's future approval on the soil reference background study, the soil components of the Parcel G Work Plan, and the post-ROD change
 - Demonstrations on the soil sorter technology
- HPS Citizen's Advisory Committee meeting on June 22 where the Navy will present to the public the next steps of fieldwork [Yolanda]

Update on Health & Safety Survey on the "white space"

- EPA comments on the draft work plan [Wayne]
- Should we share with congressional offices/key stakeholders and add to the website, similar to other comment letters?

Update on the FYR long-term protectiveness evaluation on building RGs [Wayne]

- Discussion with headquarters
- Next steps with Navy
